**GOOD SAMARITAN CEO, MARK NOSACKA, WINS CHAMBER OF COMMERCE
OF THE PALM BEACHES HEALTH/SCIENCE PROFESSIONAL OF THE YEAR
AWARD**

WEST PALM BEACH, Fla. – May 24, 2011 – Good Samaritan Medical Center is pleased to announce that Mark Nosacka, CEO, won the Chamber of Commerce of the Palm Beaches 2011 Health/Science Professional of the Year award. During the Annual Business Awards Breakfast on Friday, May 20th, Nosacka was presented the award for overseeing the significant expansion of medical staff, programs and services at Good Samaritan Medical Center, including establishing a Primary Stroke Center. These contributions have brought significant benefits to the health and safety of the local community.

“We congratulate Mark Nosacka on his well deserved award, as he is a true leader in the eyes of Good Samaritan Medical Center’s employees, patients and among the local community,” says Marsha Powers, Senior Vice President, Tenet Florida Region. “He has fostered a team of very dedicated and committed employees that have worked hard to ensure that the hospital delivers high quality healthcare to its patients and continues to grow its services to meet community health needs.”

This year’s awards, presented by PNC Bank, recognized selected Palm Beach County companies that lead with confidence, demonstrating a solid commitment to their business goals, their employees and their local community. Over 400 community and business leaders gathered at the Palm Beach County Convention Center for the Annual Business Awards Breakfast and award presentations.

About Good Samaritan Medical Center

Good Samaritan Medical Center is a 333-bed acute care hospital, which has been providing sophisticated, personalized medical care to the populations of Palm Beach County and the Treasure Coast for more than 90 years.

As one of the area’s leading cancer centers, the hospital’s Cancer Institute provides comprehensive cancer services through the Comprehensive Breast Center, Gamma Knife Radiosurgery, and a Bone Marrow/Stem Cell Transplant Unit. The Surgical Institute offers patients minimally invasive surgical

techniques through advanced surgical robotic technology. The hospital also cares for patients with known or suspected cardiovascular diseases through its Cardiac and Vascular Institute. Good Samaritan Medical Center was featured in a special advertisement in the “America’s Best Hospitals” 2010 issue of US News & World Report to commemorate their receipt of the *Get With the Guidelines* Coronary Artery Disease GOLD Award, GOLD Heart Failure Award, and SIVER Stroke Award. Certified as a Primary Stroke Center by the Joint Commission, Good Samaritan delivers timely, advanced protocols proven to save the lives and health of stroke patients.

In addition, Good Samaritan is proud to feature “Special Deliveries,” its maternity services department. The hospital houses The Newborn Suites, which are private recovery suites that offer quiet relaxation and wonderful amenities. Many additional services are available on the Good Samaritan Medical Center campus through the Sleep Disorders Center, a full-service, 24-hour Emergency Department, and a wide range of diagnostic and surgical outpatient services. Good is also home to The Palms Medical Detoxification, one of a select few hospital-based medically supervised alcohol and drug detoxification centers.
